

THE BULLETIN.

MAYSVILLE, MAY 19, 1864.

Increase of the Price of the Bulletin.
The Subscription price of the BULLETIN will hereafter be ONE DOLLAR AND FIFTY CENTS per year, instead of ONE DOLLAR.

The steamer Greyhound, a new iron screw steamer of about five hundred tons burden, with a cargo of army cloth, soda, iron, steel, &c., and the steamer Minnie, laden with cotton, turpentine, and tobacco, have been captured by steamers off Wilmington, North Carolina.

The New England States lack six thousand of completing their quotas. The deficit of Massachusetts is four thousand and seventy.

The Indianapolis Sentinel thinks that if Brough, Morton & Co., had called for eighty-five thousand men, to plant corn and gather the harvest, they would have been entitled to more praise than they can now claim.

The balance of trade against the U. S. for the first three months of this year, and which must be paid in gold, is thirty-three millions. This is going to bankruptcy at railroad speed.

The New York Times charges the Administration with having sold Mexico to the French. It says that Maximilian has the assurance of recognition by this Government. We will see.

There will be a Pic-Nic at W. W. Baldwin's Woods, 1 1/2 miles from this City, near the Lexington turnpike, on Saturday, May 21st, 1864. All are invited to come and bring their well filled baskets. A good time is expected.

We hope our readers will not forget the Musical Soiree which takes place tomorrow evening, at NATIVITY HALL, adjoining the Episcopal Church.

The object for which the Concert is given, is a laudable one; and, in all respects, worthy of the liberal patronage of the public.

The army under Burnside on the lower Rappahannock, contains 5000 negro soldiers and two full companies of Indians. That is playing the same game practiced upon our forefathers. In those days it was called beastly, brutal and devilish, and the British have been compelled to carry the blackest odium upon their shoulders ever since, for the act. But the old British tyrants were gentlemen and Christians compared with the rascals who now rule us.—Portsmouth (N.H.) States & Union.

THE MONTH OF MARY.—The present month is especially devoted by the Catholic Church to the service of the Blessed Virgin, and is called the month of Mary.

It is reported that the Attorney General has decided that colored chaplains are entitled to the same pay as white.

An entire family, consisting of five persons, was burned to death at 210 Chatham square, New York, on Monday morning of last week.

The Spiritualists in the United States are said to number five millions of persons.

The beer houses in London, if placed side by side would make a row thirty-nine miles in length.

From the Atlanta (Ga.) Confederacy.
A Liberal and Patriotic Offer.

We copy below, from the Register of this city, the liberal and patriotic offer of Hon. E. M. Bruce, member of Congress from Kentucky, to every Kentucky soldier who has been disabled from service during the war. Mr. Bruce has displayed considerable generosity toward his fellow exiles since this unfortunate war commenced and has expended, with a lavish hand, large sums of money on the gallant Kentuckians who are in the service and to the scattered over the Confederacy. His last munificent offer to educate all disabled soldiers from his State, cannot fail to endear him in the hearts of his countrymen, and we feel certain that the blessings he designs to confer upon his countrymen, if it cannot win for him a brighter fame, will cause many men to recollect his generosity, with feelings of earnest gratitude.

We trust that the Kentuckians to whom the offer is made, will not be slow in accepting the advantages of a good education, but will avail themselves of the liberality of Mr. Bruce. The following is the offer made to them:

"We are authorized by Hon. E. M. Bruce, of Kentucky, to say that he will pay the tuition of every Kentucky soldier who may have lost a leg or an arm, or been otherwise disabled in the service during the war, who will attend school. Having earned their board and clothes, if they elect to waive a discharge, they have now an opportunity to secure a good education. All teachers in towns; places in which hospitals are located, are desired to see all who are entitled to the benefits intended, and induce them to go to school. All bills will be paid on presentation to Mr. Bruce at Richmond, properly authenticated. He advises all to study the English grammar, penmanship, and mathematics, thereby preparing themselves for clerical or commercial pursuits and the great battle of life after peace shall again reign in our distracted land. As the Kentuckians are scattered in every town in the Confederacy, we hope the press will generally copy, thereby advising the soldier of his opportunities."

IMPORTANT ORDERS.—Captain Berry, Provost Marshal of Covington, has received orders from General Burbridge, commander of the District of Kentucky, to accept all negroes who may offer themselves as recruits, regardless of the wishes of their owners. Any person interfering with the drafting or enlistment of negroes, will be promptly arrested. Captain Berry has also received instructions to accept negroes as substitutes for white men.

Special Notices.

Let those who have doubted the virtues of Bull's Cedron Bitters, if any such there be, read the following Certificate from gentlemen well known in this community, and doubt no more. Its general introduction into the army will save the lives of thousands of our soldiers.

Louisville, Ky., June 24, 1863.
We, the undersigned, have seen the good effects produced by the use of Dr. John Bull's Cedron Bitters in case of general debility and prostration of the system, and believe its general use would prevent disease and relieve much suffering. Among our soldiers particularly would this be the case, especially those who are exposed to miasmatic influences in the Southern climate. Maj. Philip Speed, Col. Int. Rev. 3d Dist. Ky. Chas. B. NEW

WHOLESALE

DRY GOODS STORE!

THE SUBSCRIBERS, LONG ESTABLISHED in a large retail Dry Goods business in Mayville, would call the attention of Country Merchants to their recent addition of an extensive Wholesale Department; which will be conducted on a STRICTLY CASH PRINCIPLE.

The many years of experience possessed by our buyer, combined with a perfect knowledge of the Kentucky trade, a thorough acquaintance with all the Manufacturing and Importing Houses in the East, and the fact of our purchases being made for "Cash," together with a firm determination to sell at a mere commission advance on Eastern Cost, will be sufficient guarantee to CLOSE CASH BUYERS that we cannot be undersold by any WESTERN JOB-BING HOUSE.

Our Stock will be found better adapted to the wants of our customers than it is usual to find in the generality of JOBBING HOUSES; as it will embrace a greater variety of goods than is ordinarily met with in an exclusive Wholesale Establishment. The departments allotted to

HATS AND CAPS

AND
